   iii) Revisions to the Special Educational Needs Minor for Teachers
   iv) Revisions to the Early Childhood Education, B.S.
   v) Revisions to Elementary Education, B.S.

o) Deleted: Early Childhood Special Education (ECSE) Minor for Teachers (birth – 8 years old) (now Early Childhood Special Education (ECSE) Minor for Teachers (birth through 3rd grade teaching license program)
p) Added: Early Childhood Special Education (ECSE) Minor for Teachers (birth through 3rd grade teaching license program) (was Early Childhood Special Education (ECSE) Minor for Teachers (birth – 8 years old)

(2/18/20) For information:

q) Correction to the credit count for the English: Teacher Certification, B.A. “Student Teaching” core - was corrected from 12 credits to 16 credits. This correction also increased the overall credit count for the major from “58-67” to “62-71.” This passed through CuC on 4/2/2019 (Resolution 2018-2019-169), but the credit count for ENED 398 was erroneously listed as 12 credits instead of 16 credits.

r) Editorial change to reflect Biochemistry’s “parent” department from Multidisciplinary to the Department of Chemistry.

s) Correction to the CuC meeting minutes for 10/1/2019 - CIS 150, 4 crs., Data Communication and Networks, was deleted -not revised, and CIS 225, 4 crs., Data Communication and Networks, was added

t) Correction to the CuC meeting minutes for 10/29/2019 – deletion of the approval for revisions to the Organizational Leadership, B.S. Major as this was already covered by the addition of the Organizational Leadership, B.S.

u) Editorial revisions to the AAS Catalog page as follows –

i) “(EC)” (the abbreviation for “Effective Communication”) was added anywhere it was missing (chart at top of page, under Roman numeral III D., and under “General Studies”)

ii) “(IK)” (the abbreviation for Intercultural Knowledge and Competence) was added under the Leadership and Project Management chart

v) Revised: Health and Wellness Management 405, 3 crs., Survey of Information Technology in Wellness (description)

w) Approved: Revisions to the Data Analytics, B.S. major
