5. **For Action:** New courses in Music:
   
   (a) MUED 327/527: Marching Band Methods and Leadership
   
   (b) MUED 388/588: Integrative Music Education (Note from Libby: There was a mix-up with this one. The Music Dept. originally planned on revising MUED 382 but discovered that course had been deleted. Therefore, they had to obtain a different number for the course (388/588) and MUED 388/588 is being ADDED and not revised. They used their original form rather than having to record the dept. votes and obtain the deans signature again, however. So I crossed out the existing catalog information since this is a new course. Please let me know if you have any questions, but thats why this proposal has the big X on the existing course info portion.)

6. **For Action:** Revised courses in Natural Resources:
   
   (a) NRES 373/573: Agronomy, Agriculture and Environment
   
   (b) WATR 383/583: Hydrogeology
