## Resolution Calling for an NFAC Café

**Whereas,** The Noel Fine Arts Center (NFAC) is home to multiple amenities and resource for students within the College of Fine Arts and Communication (CoFAC);

**Whereas,** The resources and amenities include things such as The Jenkins Theatre, Michelsen Hall, The Studio Theatre, Dance Studios, Computer Music Center and Rehearsal Rooms;

**Whereas,** The NFAC houses a densely diverse group of students with various majors;

**Whereas,** Very reflective of other academic buildings such as the Chemistry Bio Building (CBB) and The College of Professional Studies (CPS) building, CoFAC students tend to spend large portions of their day inside of the NFAC and often do not have time to eat a meal;

**Whereas,** Whether it be early in the morning to start their day or around lunch time, students could benefit greatly from a café housed inside of the NFAC;

**Whereas,** Multiple students from various majors inside of the CoFAC have expressed extensive desire to have a café inside of the NFAC as they have claimed that it would not only be utilized but have deemed it a necessity;

**Therefore, be it resolved,** The University of Wisconsin – Stevens Point Student Government Association calls on facilities, facilities planning, and the Division of Business Affairs to plan, construct and install a café inside of the NFAC;
