VII. Discussion

· Murals on Campus with Senator Ashley

Senator Ashley wants to livin up campus by commissioning a mural or interactive art piece. The Committee discussed multiple areas inside and outside of the NFAC. We discussed whether the subject was an important piece of UWSP history. Or a mural that illustrates diversity on campus. We would commission it from the art major students and involve alumni as well.

· Teal Banquet Update

I'm still waiting to set up a time to meet with Dean of Students Troy Seppelt and Director Hohn to have a discussion about the Teal Banquet.

· College Pads Update

I had a meeting with Steven Broadway from College Pads. They want to start a free trial for landlords and work out negotiations with them. The Committee asked about the background with CWAA and the landlords in Stevens Point. I explained that most of the landlords are involved with CWAA so it's going to be hard to just get them to stitch to College Pads.

· Off-Campus Housing Fair

The Committee decided to work with College Pads on the Housing Fair for next year. They want to be included in the meetings as well.

VIII. New Business

There is none.

IX. Old Business

· Resolution to Repeal the Statute in Support of Changing the name of Pink Week to Lavender Week

Motion to recess for 5 minutes at 6:49pm. First by Rogers, Second by Ashley. We resumed at 6:54pm. The Resolution passed 4-0-0.

X. Announcements

Senator Rogers asked to be removed from Quorum at 6:58pm. That reset Quorum to 3-2.
